SITE RULES & CONDITIONS

1. Payment of the appropriate fee entitles the owner to place a caravan or tent on the pitch specified by the Management for the stipulated period. It is not intended to create any greater right or interest and in particular does not constitute a tenancy or letting of any nature whatsoever.
2. The owner must ensure that the caravan or tent and contents thereof are adequately insured as the Management cannot be held liable for any loss or damage however arising, save to the extent of that caused by negligence on the part of the Management.
3. The caravan or tent must be equipped with adequate approved fire fighting equipment.
4. All vehicles on the site must be adequately insured against third party risks and all drivers must hold a current driving licence. The speed limit on the site of 10 miles per hour must not be exceeded.
5. No musical instruments, radios, record, tape, CD players or other sound reproduction or amplifying equipment may be played or used so as to be audible outside the caravan or tent between 22.00 and 09.00 hours. Respect for the quiet enjoyment by others on the site should be exercised at all other times.
6. Dogs must be kept on a lead at all times on the site, and in the interest of hygiene and children's safety, owners are specifically requested to clear up after their pets.
7. The Management shall not be held liable for any injury, sickness, death or delay of any person entering the site whether owner, occupier or otherwise of the caravan or tent, save to the extent of that caused by the negligence on the part of the Management.
8. Bookings by or on behalf of parties of young people cannot be accepted as this is a family-orientated site.
9. The Management shall be entitled to terminate permission to place a caravan or tent on the site or to refuse to permit any person to occupy a caravan or tent on the site if in the opinion of the Management these rules and conditions have not been complied with, or if there has occurred any behaviour on the site by any person which in the opinion of the Management requires the immediate removal of such person and /or the caravan or tent. If the caravan or tent is not removed on demand, the Management shall be entitled to remove the same at the expense of the owner.
